Sample: Letter to Release of Levy

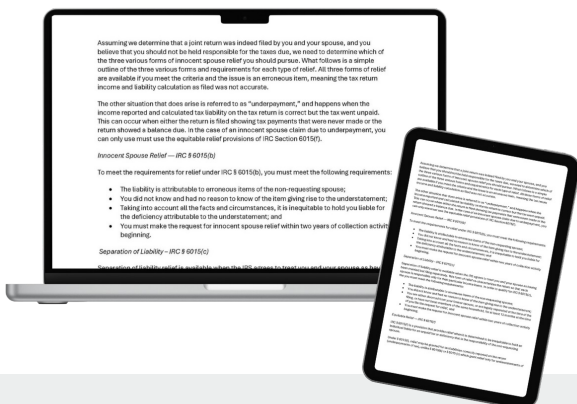

We submitted the 433-A you requested along with all of the taxpayer's supporting documentation. As we discussed, you agree with our conclusion that the Taxpayer has no ability to pay and should have their account placed in "Uncollectible" status. Despite this, however, you indicated that you had no intention of releasing the levy on the taxpayer's wages because of the taxpayer's missing 2019 return. I wanted to point out that you are legally obligated to release the levy regardless of the taxpayer's compliance.

Pursuant to IRC § 6343 a levy must be released if it is causing economic hardship, which is defined as someone who is "Uncollectible." The United States Tax Court has reiterated this in its decision in Kathleen A. Vinatieri v. Commissioner, Docket No. 15895-08L (2009). In its decision, the United States Court stated:

Under regulations prescribed by the Secretary, the Secretary must release a levy upon all, or part of, a taxpayer's property or rights to property if, inter alia, the Secretary has determined that the levy is creating an economic hardship due to the financial condition of the taxpayer. Sec. 6343(a)(1)(D), I.R.C. The regulations provide that a levy is creating an economic hardship due to the financial condition of an individual taxpayer and must be released "if satisfaction of the levy in whole or in part will cause an individual taxpayer to be unable to pay his or her reasonable basic living expenses." Sec. 301.6343-1(b)(4), *Proced. & Admin. Regs.*

Sec. 6343(a)(1)(D), I.R.C., and sec. 301.6343-1(b)(4), *Proced. & Admin. Regs.*, require release of a levy that creates an economic hardship regardless of the taxpayer's noncompliance with filing required returns.

If you disagree, please respond in writing explaining your authority. Otherwise please release the levy and ...
